

CAVE GEISSE, BLANC DE BLANC 2012

Cave Geisse is a boutique, internationally acclaimed producer of fine sparkling wine. And it's from Brazil. Made with extraordinary technical rigor from one of Chile's best winemakers in the Southern-most region of Brazil, Rio Grande do Sul, this traditional champenoise method wine is made from 100% Chardonnay grapes. It has excellent acidity, refreshing citrus notes, with a gorgeous minerality that stems from the Juro-Crustacean volcanic soil and 800 m elevation. This wine pairs perfectly with everything from fish and barbequed shellfish to lemon risotto- or special occasions. Only 7,000 bottles made.
