

STELLEKAYA WINERY

CABERNET SAUVIGNON 2011

STELLEKAYA

Stellekaya Winery is a boutique, red wine producer in Stellenbosch, the heart of Cape Winelands. Stellekaya is often synonymous with its winemaker, Ntsiki Biyela, a highly talented, young vintner who has been honored as South Africa's Woman Winemaker of the Year in 2009, and also the country's first black female winemaker. Stellekaya focuses on noble red varietals that exemplify the Stellenbosch terroir and meet international super-premium quality standards. The wines are environmentally and socially responsible certified.

The Cabernet Sauvignon is inspired by the brightest star in Scorpius, Antares, a "giant red" which forms the heart of the scorpion.
