

BOSMAN FAMILY VINEYARDS, ERFENIS 2011

An eight-generation story of vine to wine, the Bosman Family are farmers and winemakers who are prominent stewards of the environment, the people that work with them, and the high-quality wines that come from their limited-production winery. This family cuvee wine is a symbolic gift of heritage or, “erfenis,” for the next generation. Crafted to encompass the essence of each vintage, the Erfenis shows off the harvest’s finest wines in a single, exclusive blend.. This wine had deep, concentrated flavors of blackberry and red fruit, well integrated with spice. This wine pairs perfectly with grilled poultry and spicy meat dishes. Recommended to decant for at least one hour.
