

DE BOS HANDPICKED VINEYARDS, SUR LIE CHENIN BLANC 2016

WINE FOR THE WORLD

The vineyards, grapes and wines of De Bos Wines are grafted, picked, and crafted by hand. The winery is proudly Fair Trade and has given a 26% equity stake in the business to its employees, which fortunately for us has resulted in exceptional wine quality for excellent value. This Chenin Blanc is a perfect wine that is in between a Sauvignon Blanc and a Chardonnay. It has bright, citrus notes and a silky palate due to extended skin contact for 3 months giving it rich, concentrated appeal. This wine can be enjoyed on its own, or can be enjoyed pairing with salads, seafood, and grilled dishes.

VARIETALS: 100% Chenin Blanc

ACCOLADES: 2015-Silver (Fair Trade, SF Int. Wine Competition 2016); 2014-Gold (People's Choice Awards 2015); 2013-Bronze (International Wine Challenge); 2012-Silver (The Michelangelo Int. Wine Awards)
