

BOSMAN FAMILY VINEYARDS, PINOTAGE 2014

With a deep family legacy rooted in growing grapes and vine nurseries, the Bosman Family has learned to identify from early stages the exceptional vines that stand apart from the rest. Planted more than 22 years ago, this Pinotage is truly unlike any other. It expresses beautiful and juicy notes of blackberries, strawberries, and a hint of caramel, a silky, round mouth feel and a lingering finish. This wine pairs well with hearty stews and prime cuts of grilled meat.
